Bath Faucets & Accessories

ENHANCE
YOUR

Style

riding the wave of success

>>1997
2025>>

We are **BATHCARE**, a company since 1997 in the field of luxury bath products. Available with us is a range of premium products that enhances bathing comfort by providing aesthetic solutions for bathing requirements. Our range comprises of Bath Faucets, Fittings and Accessories. The extensive product range caters to individual preferences of our esteemed clients. The efficient service backup supports the trinity of technical expertise, marketing experience & outstanding product quality. Our constant and astounding growth over the years has enabled us to make our presence felt across the country, perhaps that's the reason we are considered best in this product segment by legendary architects & high profile clients alike. Our aim is to extend utmost best services to our prospective customers.

Design and Quality

Here at BATHCARE, good design is backed up by years of research and development; this allows us to produce a range of products that is both visually exciting and technically superior. We invest more in quality than any other companies and are market leaders in our field. By choosing BATHCARE, you're not only buying a technically advanced product but one that is designed to give a lifetime of enjoyment and service. We discuss the importance of quality and design and the philosophy behind the new company strategy 'FOR LIVING BATHROOMS'

bathcare®
